

# DANCE IN THE FIRE

By Richard Paul

There's a gift in the night for all who dare,

-\*-- --\*--- -\*\_ --\*---

Farther through the dark than you can bear.

-\*\_ --\*--- -\*\_ --\*---

Step out of your dreams, step out of your skin,

-\*\_ ----\*---- -\*\_ --\*---

Find our fire and dance within.

--\*-- \*\_ --\*--- \*\_

## CHORUS

Dance in the fire and

---\*--- -\*\_

Dance until day and

---\*--- -\*\_

Dance till your woes are spent and slain.

---\*--- --\*--- --\*--- --\*---

Dance in the fire,

---\*--- -\*\_

Never to tire,

-\*\_ \*\_

Dance in the fire,

---\*--- -\*\_

Burn through the ire

--\*--- -\*\_

Dance till the world goes away.

---\*--- --\*--- -\*\_

## CHORUS END

You were made for more than you can feel,

--\*--- --\*--- \*\_

Bound in what so many think is real.

---\*--- -\*\_ --\*--- -\*\_

Step out of your skin, let go of your time,

-\*\_ --\*--- -\*\_ --\*---

Find our fire and dance inside.

--\*-- \*\_ ----\*---- --\*---

## CHORUS

*(SPOKEN OR WHISPERED)*

*All you have suffered,*

*All of your days,*

*This is the price you have paid.*

*Leave your work,*

*Leave your home,*

*Come to us,*

*Come alone,*

*Brave the dark,*

*Scorn your skin,*

*Find our fire!*

*Dance within!*

**(CHORUS x3)**

**-\* - Suggested Stressed Syllables**
