

# WITH ARROW AND WITH SWORD

By Richard Paul

The thunder of hooves,  
--\*--- ----\*-----  
The screams of our dead,  
----\*----- --\*---  
The darkening sky,  
--\*-- --\*--  
The promise of red.  
--\*--- --\*--

Hold your ground till comes the call to charge  
--\*--- ----\*----- --\*--- -\*-- ----\*-----  
And scream defiance to the Demon tide.  
----\*----- \*-- \*-- -\*-- --\*--  
Through our ranks they seek to barge  
----\*----- --\*----- -\*--- ----\*-----  
But they are doomed to die.  
--\*--- ----\*----- -\*--

## CHORUS

With arrow and with sword,  
-\*\_ ----\*-----  
With mace and bolt and blade,  
----\*--- -\*-- ----\*-----  
We'll face the demon horde,  
--\*--- \*-- ----\*-----  
Their blood will coat the floor  
----\*--- --\*--- -\*--  
Throughout the dreadful day,  
-\*\_ ----\*----- -\*--  
And none will be dismayed.  
--\*--- \*-- ----\*-----

With arrow and with sword,  
-\*\_ ----\*-----  
With fists and rocks and teeth,  
--\*--- ----\*----- -\*---  
We'll face the demon horde,  
--\*--- \*-- ----\*-----  
We'll stain the ground in gore,  
--\*--- ----\*----- -\*---  
We'll send them back beneath  
-\*\_ ----\*----- -\*---  
And save the ta'en deceased.  
--\*--- ----\*----- ----\*-----

CHORUS END

The strike of the bolt,  
--\*--- --\*--  
The fall from the horse,  
-\*\_ ----\*-----  
The shattering clash,  
--\*--- --\*--  
The singular course.  
-\*\_ ----\*-----

The blade that is red,  
--\*--- -\*--  
The Demon that dies,  
-\*\_ ----\*-----  
The sun breaking through,  
--\*--- ----\*-----  
The nightmare's demise.  
--\*--- --\*--

Now spur your steeds and ride into the fray  
--\*--- ----\*----- -\*-- \*-- --\*--  
Then fight until your foe or life is done,  
--\*--- \*-- -\*-- -\*-- --\*--  
Don't despair as more still come our way,  
--\*--- -\*-- --\*--- ----\*----- --\*--  
We'll not be overcome.  
-\*\_ \*-- --\*--

## (CHORUS)

The ember of hope,  
-\*\_ ----\*-----  
The death-dream of home,  
--\*--- ----\*-----  
We cannot give up  
-\*\_ -\*--  
Though we stand alone.  
----\*--- --\*--

## (CHORUS)

(-\* - Stressed Syllables)
